Men's and Women's Competition

Boxers compete in three round bouts, each lasting three minutes, with a one-minute rest period between the rounds.

Four boxers are seeded and the remaining boxers are randomly drawn. The losers are automatically eliminated and the winners progress through the following phases until two athletes are left to box in the gold medal bout. The winner is awarded the gold medal and the loser, the silver medal. Two bronze medals are awarded to the losers of the semifinals.

Only one boxer per weight category per NOC is permitted.

Differences between the World Championships and the Olympic Games

At the World Championships there are more boxers as quotas for participation and qualification criteria are different. Also, there are 10 weight categories for the men's and women's competitions.

Changes since the Rio 2016 Olympic Games

There are eight men's weight categories instead of 10, and five women's weight categories instead of three. The "general weigh-in and medical examination" has been replaced by the "boxing entry check".

The scores of all five judges will be counted in determining the winning boxer and the two-point warning has been removed.

Sport Rules and Procedures

Gloves, bandages, headguards, gumshields (teeth protectors)

Boxing at this Olympic Games will follow the Tokyo 2020 Boxing Task Force (BTF) event regulations instead of AIBA's rules, which had been used in the past Games.

Boxers at Tokyo 2020 must abide by the following boxing glove regulations:

Men:

- 10-ounce (284 grams) gloves must be used from the fly weight (52kg) to the light weight (63kg) categories
- 12-ounce (340g) gloves must be used from the welter weight (69kg) to the super heavy weight (+91kg) categories

Women:

- 10-ounce gloves must be used in all weight categories

The Tokyo 2020 BTF also requires boxers to wear gumshields and professional handwraps (bandages). Headguards are used only for women.

Medical examination and weigh-in

On each day of competition there is a medical examination and weigh-in of all boxers competing on that day.

Judging and scoring format

The scoring system will be based on a "10 point must system". The five judges for each bout will be allocated in a position around the ring in accordance with the electronic draw. At the end of each round, each judge must determine the winning boxer of that round by awarding a score of 10 points and by awarding nine or less points - down to seven - to the losing boxer, depending on the judgment as to the degree to which the opponent lost the round. Every round must have a declared winner. The scores of all five judges will be counted in determining the winning boxer.

Possible decisions for the win will be as follows: ABD - abandon, BDSQ - double disqualification, DKO - double knockout, DSQ - disqualification, KO - knockout, RSC - referee stops contest, RSC-I - referee stops contest - injury, WO - walkover and WP - win on points.

Tie break rules

If the total scores awarded by each judge, including any deduction, are equal at the end of the bout, the judge(s) with equal scores are requested to nominate which boxer is the winner of the bout in their opinion in the following cases:

- One judge has even scores, and the total scores of the other four judges are evenly split or
- Two judges have even scores and the other three judges do not score unanimously or
- Three or more judges have even scores.

Fouls

If a boxer receives a referee's warning, the deputy technical delegate will record the warning in the scoring system and each warning will reduce the total score of the offending boxer by one point per judge. The third warning in a bout will automatically disqualify the boxer.

The most typical types of fouls that are sanctioned are: hitting below the belt, holding, tripping, kicking and head butting.

Item: 6

Post-bout Disqualification for Unsportsmanlike Behaviour (DQB) of ALIEV Mourad (FRA)

Summary:

For his intolerable action on the Field of Play on Bout N. 221, the boxer ALIEV Mourad (FRA) has been Disqualified for Unsportsmanlike Behaviour (DQB). As a consequence, the boxer is to receive the Invalid Results Mark "DQB" accordingly, and be disqualified from the weight category. As the official result of the bout in question (n. 221) was "Disqualification" in favor of the opponent, CLARKE Frazer (GBR), the result shall remain the same, and the competition shall progress normally.

Details:

Following a warning (point deduction) received from the Referee in the final seconds of the second round, the boxer ALIEV Mourad (FRA) acted in a disrespectful manner to the Referee. Moreover, the boxer made usage of profanity through clear gestures, hit the handheld ringside camera, and created a heavily tense environment. The unsportsmanlike behaviour was reviewed by the BTF Technical Officials and Technical Delegate once the session in which the bout took place was over (Session 17).
